Rotorua NEWS

We saved another baby!

That's why we're here, and why we do what we do - to save lives. In April, a mum was heading to her abortion appointment, saw our life affirming signs held by our volunteers and chose LIFE for her baby!

Furthermore, we have helped over 20 mums so far this year in practical ways during their pregnancy and with their new baby. Your donations provide equipment, clothing, nappies, blankets and much more! Thank you for all your support.

Ombudsman Win!

In March, we won our complaint with the Ombudsman in regards to how Rotorua Hospital has handled our Official Information Act requests. We wait for our apology with baited breath! For more listen [here](#)

Mother's Day Raffle

We raised over \$700 with our raffle! That goes a long way in helping local mums in need. Thank you for promoting this fundraiser and for buying tickets. Congratulations Jessica on winning the hamper!
